

Property Security Management

- **Company**

Securitas' mission is to **protect homes, workplaces and companies** in over 20 countries worldwide

- **Customer Challenge**

Find a solution that enables its employees to **check unusual activity** in commercial premises

- **Solution**

125 Baracoda Roadrunners 1D connected to BlackBerry Xenium "mBiztech" solution

- **IT Architecture**

The scanner records the barcode, date and time and uploads the data via the BlackBerry Wireless PUSH to the Securitas back end database

- **Key Benefits**

- **Easy to deploy and administer:** Easy to use solution for creating and managing application forms
- **Seamless integration:** Information captured by BlackBerry users with Baracoda RoadRunners wirelessly uploaded and inserted into the underlying data repository
- **Data security and ease of deployment:** Secure deployment of form-based application within a Corporate environment
